Display Audio System

Includes 6 In-Dash MP3/CD Changer & Radio with Advanced Bluetooth®# Featuring Handsfree Communications & Stereo Audio Streaming~, USB/Auxiliary Audio Input/iPod®+

Toyota's Display Audio System sits seamlessly in your Toyota. Its 4.3" display, with your choice of colour theme, gives iPod®+ playlists better projection. You can even play music files from USB drives. The unit also provides the latest in Bluetooth®# compatibility and can store up to 100 contacts and display the incoming caller ID. It also identifies music files on your mobile and can play them back through your car's sound system, in stereo. Better still, the incoming call alert automatically pauses your sound system when making or receiving calls.

Raptor Alloy Wheels (16"x7") - Machined Finish
The race inspired Raptor Alloy Wheel (16" x 7") is a slotted 5-spoke sports style wheel with a contrasting Machine Face finish. A clear protective coating helps protect the wheel from brake dust corrosion. This Alloy Wheel conveniently fits factory 16" Aurion tyres, so there's no need to buy new ones.

Raptor Alloy Wheels (16"x7") - Painted Finish
The race inspired Raptor Alloy Wheel (16" x 7") is a slotted 5-spoke sports style wheel with metallic silver painted finish. A clear protective coating helps protect the wheel from brake dust corrosion. This Alloy Wheel conveniently fits factory 16" Aurion tyres, so there's no need to buy new ones.

Kappa Alloy Wheels (18"x7.5")

This stylish European-esque Alloy is characterised by its slim, well spaced spoke pattern. Striking contrasts between the metallic surfaces and aggressive yet elegant styling will give your Aurion enhanced street credibility.

Tyre Pressure Monitoring System

All the right pressure, with none of the stress. Dash-mounted, backlit, small and sophisticated, the system's display receives data wirelessly from sensors mounted inside each wheel. Temperature and pressure of all five tyres (including the spare wheel) are sequentially displayed in various measuring units. Advanced functions allow for wheel rotations and a variety of display modes. There are even programmable alarms for low tyre pressure, tyre over-temperature and sensor battery replacement.

Rear Spoiler

To top off the performance look of your Aurion, this low profile spoiler makes the perfect complement to a set of Toyota Genuine Alloy Wheels. Moulded from an impact resistant, high tech material for durability and mechanically fastened to stay secure. This lightweight spoiler allows easy boot access and incorporates a high level brake light for safety. Fit your Aurion with the same spoiler fitted to Aurion Sportivo models.

Bonnet Protector & Headlamp Covers (Sold Separately)

Help shield the headlamps and bonnet from insects, stone chips and damage. Made from high strength acrylic, they will help protect your Aurion and it's resale value. Designed for a secure fit, yet can be easily removed for cleaning.

Tested by Toyota to resist UV discolouration, they will help your Aurion stay looking good for years.

DL12195/MRB693
www.citytoyota.net.au

Slimline Weathershields

Tough and durable, these weathershields extend from the front window to the back. Tinted for a cool look, while a chrome strip that runs the full-length enhances Aurion's sleek lines. These Toyota Genuine Slimline Weathershields provide driver and passenger with some protection from the elements, and are made from impact-resistant acrylic for lasting good looks.

DL12195/MRB693
www.citytoyota.net.au

Front Weathershields (Sold Separately)

Lightly tinted to reduce glare, Toyota Genuine Front Weathershields offer more protection from the weather. Made from durable, UV and impact-resistant acrylic, they are tailored to suit Aurion's body contours for a neat, integrated look.

DL12195/MRB693
www.citytoyota.net.au

ParkAssist* - Clearance Parking Sensors & Reverse Parking Sensors (Sold Separately)

Reduce the chance of accidents when parking or reversing with an intuitive Toyota Genuine ParkAssist system mounted in the rear and/or front bumper. The colour-matched sensors use ultrasonic technology to audibly alert the driver of rear and/or front obstacles. The audible alerts will increase in frequency the closer your Aurion approaches an object.

Rear view camera and ParkAssist are designed as driver assist devices only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must still be visually monitored by the driver while parking.
