

CAMRY

## Audio Visual Unit With Satellite Navigation#

Find an easier route home with the guidance of the Toyota Genuine Satellite Navigation Audio System#. Equipped with SUNA™~~ GPS traffic updates the navigation system receives traffic updates 24/7, so it can navigate alternative routes around traffic congestion and landmarks can be displayed in 3D for easier recognition. The audio system allows you to play from some iPod®+ and iPhone®+ USB^ or CD, and the full-colour touch-screen display features a simplified audio track search and album jacket display (for some iPod®+ and iPhone®+) as well as voice control function that allows you to select audio by the artist name (for some iPod®+ and iPhone®+) or make phone calls.

### **Interior illumination**

**With Interior Illumination, a discrete welcoming blue glow emanates from the footwells of your Camry. Available for front and rear footwells, the soft illumination helps improve in-car visibility, without interfering with night driving vision. The lights turn on automatically when a door is opened and stay on for approximately eight seconds after the last door is closed**

### **Illuminated scuff plates**

**Enhance the experience of getting into your Camry with Illuminated Scuff Plates. Colour-coded to match the car's interior, the upgraded Scuff Plates feature stainless steel and a blue-illuminated Camry logo. Especially visible at night, the soft glow turns on when the door is opened, providing a helpful guide for passengers entering and exiting the vehicle. The illumination automatically turns off when the door is closed.**

## Sports vest seat covers

Sports Vest Seat Covers are tailored from sports neoprene. The neoprene material firmly grips the seat providing additional cushioning. They are water resistant, fit easily without straps and are engineered to the highest standards. Toyota Genuine Seat Covers are also designed to not interfere with the seat controls, so the mechanics of the seat aren't affected or obscured and adjustments can be made easily.
