**FollowMe Sound and Navigation System  
Includes Bluetooth®~ Handsfree Communications, Video, USB, iPod®^ & MP3.**

On one hand, FollowMe is a fully integrated sound and satellite navigation\* system with all the benefits of an in-dash system including advanced Bluetooth®~, video, USB plus iPod®^ and mp3 functionality. On the other hand, unlock the satellite navigation from its audio cradle and you have a portable navigation system you can use in other cars or on foot^^. FollowMe also displays a wide range of audio playlists on a 4.3" screen with your choice of colour illumination between green and amber. And thanks to Suna™ Traffic monitoring service#, the FollowMe unit is regularly updated with the latest traffic information, such as traffic jams, accidents and roadworks, to suggest alternative routes. Available for Sydney, Canberra, Melbourne, Perth, Adelaide, Brisbane and Gold Coast metro.

### Satellite Navigation Audio System~

Includes 4 In-Dash MP3 CD Compatible Changer with Bluetooth®# Communications & (Optional) Auxiliary Audio Input.

With the guidance of Toyota Genuine Satellite Navigation, map reading will fast become a forgotten art. With its easy to use touch-screen, simply key in your destination and the Satellite Navigation directs you from A to B. It boasts a list of features including Bluetooth®, optional auxiliary input (iPod®+/MP3 player compatibility), full screen, split screen and voice options plus a 4 disc in-dash MP3 compatible CD changer integrated into the system. Toyota Genuine Satellite Navigation has all your audio and navigation needs covered in a single stylish unit.

### Genuine Scuff Guard

When you're on the move and pressed for time, this Toyota Genuine scuff guard helps protect the rear bumper paintwork from accidental paint scratches when loading or unloading the boot. Made of soft, durable neoprene material for cushioning, it folds flat to stow away afterwards in the boot.

COROLLA

### **Carpet Floor Mats**

**Help protect the floor of your stylish new Corolla from daily wear and tear. These Carpet Floor Mats are woven from premium quality fibre, with distinct Corolla branding. For added safety, the driver's side mat features 2 retaining clips to reduce mat movement**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### Seat Covers

Available in all models except Ultima Sedan

**These dark grey seat covers are the perfect compliment to the new Corolla's stylish interior colour tones. Finely tailored for a snug fit, they've been tested by Toyota to ensure uncompromised front seat side air-bag deployment, which may be a significant safety advantage over non-genuine seat covers. They boast excellent wear resistance and comfort while being easy to clean for lasting good looks. Not compatible with leather or leather-accented seats.**

***Safety Warning: Fitment of front seat covers which are not compatible with front seat side airbags may adversely affect front seat side airbag deployment and might result in serious injury.***

### **Genuine Boot Liner**

**Help keep your new Corolla's boot floor in great condition with this high-sided Toyota Genuine Boot Liner. Moulded from flexible, durable polyethylene, it helps protect the floor of your boot from spills and other cargo damage.**

### **Bonnet Protector and Headlamp Covers**

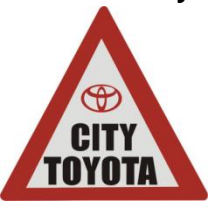

**Toyota Genuine Bonnet Protector and Headlamp Covers provide added protection from insects, stone-chips and damage. Made from high strength acrylic which is resistant to cracking and UV discolouration, Toyota Genuine Protectors are easy to remove for cleaning and help you keep your stylish Corolla looking brand new.**

## **Front Mudguards - Set Of 2**

**They're moulded to perfectly compliment your Corolla's striking lines and designed to keep it clean and free of mud, stone chips and debris.**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### **Weathershields**

**Lightly tinted to reduce glare, these Toyota Genuine Weathershields offer more protection from the weather. Made from durable, UV and impact resistant acrylic, they are tailored to suit Corolla's body contours for a neat, integrated look.**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### **Front ParkAssist**

**ParkAssist\* uses two colour-matched ultrasonic sensors on the front bumper to help you judge how close you are to the car or object in front of you. A concealed beeper heard from within the cabin starts to alert you to how much room you have left, beeping faster the closer you get and then emitting a constant tone if you have gone as close as you should.**

### **Rear Park Assist**

**When mounted to the rear bumper of your Corolla, these four colour-matched sensors use ultrasonic technology to help detect and alert you to obstacles to the rear of the vehicle which may be outside your field of vision. ParkAssist may reduce the risk of hitting objects when reversing.**

### Rear Spoiler

Available for Ascent and Ultima Sedan only. The Toyota Genuine Rear Spoiler will give the Corolla a sporty look befitting its impressive performance. Constructed from quality, lightweight, impact resistant plastic, the stylish low-profile Rear Spoiler has been designed by Toyota to perfectly compliment the stylish lines of the Corolla Sedan.

### **Towbar Kit**

**Towbar - 1300Kg(Braked Capacity), towball and trailer wiring harness (Sold Separately)**

**Tow with the added confidence of knowing this high strength towbar has been tested by Toyota for optimal vehicle strength and safety. Specifically engineered for Corolla allowing minimal interruption with the vehicle's bumper design. 1300kg braked towing capacity^ (450kg un-braked) with a maximum of 130kg towball download. The Toyota Genuine Trailer Wiring Harness incorporates a sophisticated electronic control module for dependable integration with the vehicle's electrical system.**

**^Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.**

**Atlas Alloy Wheel 15" x 6.5"**

**Available for Ascent Hatch and Sedan only.**

**The Atlas features a broadening 5 point spoke pattern. Understated yet confident, it exudes style and is the perfectly complement to the new Corolla's body geometry. Conveniently, these Toyota Genuine Alloys fit into the new Corolla's existing 15" tyres, saving you the expense of buying new ones.**

**Kappa Alloy wheel 17" x 7"**

**This stylish European-esque Alloy is characterised by its slim, well-spaced spoke pattern. Striking contrasts between the metallic surfaces and aggressive yet elegant styling will give your Corolla enhanced street credibility**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

**Raptor Alloy Wheel 16" x 7" - Painted Finish**

**These distinctive Rally-inspired Toyota Genuine Alloy Wheels feature a stylish slotted 5-spoke design with a metallic silver painted finish.**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

**Raptor Alloy Wheel 16" x 7" - Machine Finished**  
**These Toyota Genuine Alloy Wheels feature a slotted 5-spoke design with contrasting machined face finish.**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### **Alloy Wheel Lock Nut Set**

**The Toyota Genuine Alloy Wheel Lock Nut Set means your alloys can be securely locked, protecting them from would-be thieves. The strong, premium-quality chrome-plated Wheel Nuts come with a unique secure coded key to lock the alloys in place without detracting from their style and appearance. The strong, premium-quality chrome-plated Wheel Nuts come with a unique secure-coded key to lock the alloys in place without detracting from their style and appearance.**

### **Aero Roof Racks - 2 Bar Set**

With an attractive aerodynamic design and black anodised coating for corrosion resistance, Toyota Genuine Roof Racks are compatible with most commonly available Roof Rack accessories, ski holders and bike carriers. Specifically designed to fit Corolla's roof geometry they ensure optimum load distribution and maximum contact area across the roof. Tested to Toyota's exacting engineering and quality standards, they are designed to carry a maximum capacity of 75kg evenly distributed.

## Kayak Carrier

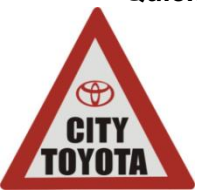

This clever Kayak Carrier comes complete with four adjustable rubber supports that cradle the hull of your kayak, surfboard or small boat. Whilst gripping securely to hold it firmly in place, the fit is gentle so as not to damage your watercraft. Available in a four-pack and includes straps.

### **Pro Ride Bicycle Carrier**

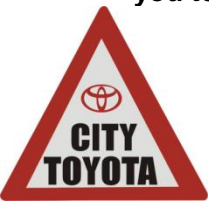

**This intelligent, elegant solution to bike transportation looks great whilst getting the job done safely. Easily fitted to either side of your Corolla roof, it features an adjustable frame holder to accommodate most bike designs without the need to ever remove a wheel. Quick release straps which are adjustable for different wheel sizes hold the wheels securely whilst providing a quick, and convenient way to release your bike. For your added security and peace of mind, it can be locked at any time.**

### **Atlantis 200 Roof Pod**

**The Atlantis 200 Roof Pod is the premium style solution in adding extra storage space to your Corolla. Built to last with both UV and impact protection, it is aerodynamically designed for reduced wind resistance and include a power grip attachment solution, allowing you to tighten its grip with a single hand. It even opens on both sides for easy access. Internal dimensions: 169cm x 76cm, Volume: 440 litres, Weight: 17kg.**

## **TRD Suspension Pack**

### **TRD Lowering Springs,**

Typically, TRD Lowering Springs lower your Corolla by 25mm, dropping the centre of gravity for sports orientated handling and reduced roll characteristics. They also let your tyres fill the wheel wells, creating a sleeker, more aggressive profile.

### **TRD Stabiliser Bars**

Tuned for specific vehicle balance from high-quality spring steel with a powder coating to prevent corrosion and road damage, TRD stabiliser bars give your Corolla a flatter, more stable cornering stance.

### **TRD Shock Absorbers**

Made with lightweight, high strength steel tubing, crafted with exacting precision, TRD shock absorbers are tailored to compliment the spring rates and improve handling over a range of driving conditions without excessive harshness.

## TRD Oil Filler Cap Black Resin Type

A direct replacement for the standard Oil Filler Cap, this race-style cap is made from temperature resistant black resin. The distinctive TRD banding can be aligned to your preference.

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### **TRD Oil Filler Cap Aluminium Type**

Made from high-grade aluminium, this cap is a direct replacement for the standard Oil Filler Cap and is engineered to replicate race style hardware. The distinctive TRD branding can be aligned to your preference.

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

## TRD Shift Knob, Leather

Crafted with soft grain leather, this sporty TRD shift knob adds that extra touch of style and carries the quality assurance that comes with a genuine TRD logo.

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

## TRD Shift Knob

White or Black Resin

Racetrack inspired, these resin shift knobs have been engineered specifically for Corolla and feature a genuine TRD logo insert.

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### **TRD Fuel Cap Cover**

**Engineered to exact TRD and Toyota standards, the TRD fuel cap cover is installed over the original fuel tank cap, adding racetrack-inspired style to your Corolla.**

[www.citytoyota.net.au](http://www.citytoyota.net.au) DL12195/MRB693

### TRD Push To Start Switch

A direct replacement for Corollas fitted with a factory Smart Start, the TRD start switch features a bold red insert and chrome dress ring, with the TRD logo illuminated by an LED.
