**FollowMe Sound and Navigation System
Includes Bluetooth®~ Handsfree Communications, Video, USB, iPod®^ & MP3.**

On one hand, FollowMe is a fully integrated sound and satellite navigation* system with all the benefits of an in-dash system including advanced Bluetooth®~, video, USB plus iPod®^ and mp3 functionality. On the other hand, unlock the satellite navigation from its audio cradle and you have a portable navigation system you can use in other cars or on foot^^. FollowMe also displays a wide range of audio playlists on a 4.3" screen with your choice of colour illumination between green and amber. And thanks to Suna™ Traffic monitoring service#, the FollowMe unit is regularly updated with the latest traffic information, such as traffic jams, accidents and roadworks, to suggest alternative routes. Available for Sydney, Canberra, Melbourne, Perth, Adelaide, Brisbane and Gold Coast metro.

Satellite Navigation Audio System~

Includes 4 In-Dash MP3 CD Compatible Changer with Bluetooth® Communications & (Optional) Auxiliary Audio Input.

With the guidance of Toyota Genuine Satellite Navigation, map reading will fast become a forgotten art. With its easy to use touch-screen, simply key in your destination and the Satellite Navigation directs you from A to B. It boasts a list of features including Bluetooth®, optional auxiliary input (iPod®+/MP3 player compatibility), full screen, split screen and voice options plus a 4 disc in-dash MP3 compatible CD changer integrated into the system. Toyota Genuine Satellite Navigation has all your audio and navigation needs covered in a single stylish unit.

Rear Seat Entertainment System

This flexible system will suit many families and entertain for hours. Two independently operated master screens can be fitted for individual entertainment preferences, or one dependent screen linked to a master screen to share a movie. The Rear Seat Entertainment system recognizes input from DVD, MP3, RCA, USB and SD memory card. Each seven-inch full-colour widescreen unit comes with a set of infrared wireless headphones. Neatly and safely fitted to the back of the front seats, they can be unclipped for security, and for use outside the vehicle (power pack required, not included). Each screen sold separately.

Cargo Barrier - Curtain Shield Airbag Compatible

Fitted to reduce cargo movement in the event of a sudden stop or accident and perfect for creating a separate cargo area in the back of your Kluger, the Toyota Genuine Cargo Barrier is designed with safety and convenience in mind. The Toyota Genuine Cargo Barrier allows for unimpeded curtain airbag deployment along the vehicle. Suitable for 5 and 7 seat models and rated to 60kg. Compatible with Rear Storage System and All Weather Rubber Cargo Mat.

All Weather Rubber Cargo Mat

Stylishly designed for your Kluger with both practicality and aesthetics in mind, this one piece cargo mat is produced from all natural rubber featuring a high lip design to help protect your interior from dirt, mud and minor liquid spills. The All Weather Rubber Cargo Mat fits neatly into the Kluger's rear-compartment for you to carry what's important to you and your family, from messy kids' stuff to beach gear. Compatible with Toyota Genuine Cargo Barrier and Rear Storage System.

All Weather Rubber Floor Mats

Toyota Genuine All Weather Rubber Floor Mats are tailor made for Kluger. The driver's mat is secured to the vehicle's floor using two retainers for added security and all

Alloy Nudge Bar - Airbag Compatible

Finely crafted from polished tube aluminium and tailored specifically for your Kluger, the Toyota Genuine Nudge Bar will spectacularly enhance your Kluger. Having undertaken extensive development for assured airbag compatibility, the Genuine Nudge Bar will also provide added peace of mind. Suitable for fitment with Driving Lights and Clearance Parking Sensors.

Aero Roof Rack - 2 Bar Set (Non Roof Rail Type)

The complete system for your Kluger KX-R. The cross bars are black anodised for corrosion resistance, includes a roof mounted aluminium mounting track and are secured with tamper resistant fasteners. The Toyota Genuine Aero Roof Racks will safely carry up to 75kg evenly distributed.

Pro Ride Bicycle Carrier

This intelligent, elegant solution to bike transportation looks great whilst getting the job done safely. Easily fitted to either side of your Kluger's roof, the Pro Ride Bicycle Carrier features an adjustable frame holder to accommodate most bicycle designs without the need to ever remove a wheel. Quick release straps which are adjustable for different wheel sizes hold the wheels securely whilst providing a quick and convenient way to release your bicycle. For your added security and peace of mind, the Pro Ride Bicycle Carrier can be locked at anytime.

Kayak Carrier

This clever Kayak Carrier comes complete with four adjustable rubber supports that cradle the hull of your kayak, surfboard or small boat. Whilst gripping securely to hold firmly in place, the fit is gentle so as not to damage your watercraft. Available in a four-pack and includes straps.

Pacific 200 Roof Pod

The Pacific 200 Roof Pod is intelligently designed with safety, efficiency and security in mind. With a textured Grey finish, the lightweight box uses a fast grip mount system and is positioned lower to reduce air resistance, wind noise and vibrations. Complete with an ergonomic dual-force suspension which acts upwards when opening the cover, and downwards when closing, this convenient Roof Pod can be used for storage on the fly, or to carry luggage on your family holiday. A Central Locking system enables the key to be removed only if all locking points are properly closed.

External size: 175cm x 82cm x 45cm Volume: 460 litres, Weight: 14kg.

Atlantis Roof Pod (200 or 600)

(600 shown above).

The Atlantis Roof Pod range is the premium style solution in adding extra storage space to your Kluger to keep up with your family's lifestyle and your work. The Atlantis 200 and 600 Roof Pod's are Glossy Silver in finish, built to last with both UV and impact protection, and are aerodynamically designed for reduced wind resistance. They're the perfect addition to your family's trip up the coast, day at the beach or as an everyday solution to help carry around whatever it is that's important to you.

Power grip attachment solution is pre-mounted in the box, allowing you to tighten its grip with a single hand. The system also centres itself over the roof bar providing maximum security and safety. The Atlantis 200 even opens on both sides for easy access. Catering for a variety of purposes, Atlantis Roof Pods are available in two size options, either long and narrow or short and broad.

Atlantis 200: External size: 175cm x 82cm x 45cm, Volume: 440 litres, Weight: 17kg.

Atlantis 600: External size: 190cm x 63cm x 41cm, Volume: 340 litres, Weight: 16kg

Side Steps

Toyota Genuine Side Steps are crafted from polished stainless steel to add some serious style to your Kluger. Complete with a polyurethane anti-slip surface for added safety, side steps not only look fantastic, but give you that extra reach to secure the kids safely, pack the shopping or to load up your roof racks for a weekend of fun.

Towbar 2000kg (Braked capacity)

Towbar Cover, Towball and Trailer Wiring Harness (Sold separately)

Tow with the added confidence of knowing this high-strength towbar has been developed using the latest 3D modelling and tested by Toyota for optimal vehicle strength and safety. Specifically engineered for Kluger to integrate with a replacable bumper insert panel, allowing minimal interruption to the vehicle's rear bumper design. 2000kg (braked) towing capacity[^] 700kg (unbraked) with a maximum 200kg towball download.

The Toyota Genuine Trailer Wiring Harness incorporates a sophisticated electronic control module for dependable integration with Kluger's electrical system. You've a choice of 3 plug styles to suit state and territory preferences.

[^]Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.

ParkAssist - Clearance Parking Sensors

Mounted to the front bumper of your Kluger, these two colour-matched sensors aid to detect and alert you to obstacles to the front corners of the vehicle which may be outside your field of vision. ParkAssist - Clearance Parking Sensors can help you park like a pro and make manoeuvring into a tight spot at the shopping centre a breeze. Compatible with Toyota Genuine Alloy Nudge Bar.

ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices.

The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.

ParkAssist - Reverse Parking Sensors

Mounted to the rear bumper of your Kluger, these four colour-matched sensors use ultrasonic technology to help detect and alert you to the proximity of potential obstacles at the rear of the vehicle which may be outside your field of vision. ParkAssist even works in the dark, as its performance remains the same in all lighting conditions. Combining ParkAssist with your Kluger's standard reverse camera offers you that extra peace of mind, as these technologies can work in parallel to help avoid hitting objects while reversing. Compatible with Toyota Genuine Towbar.

Bonnet Protector and Headlamp Covers (Sold separately)

Toyota Genuine Bonnet Protector and Headlamp Covers provide added protection from insects, stone chips and damage. Made from high strength acrylic which is resistant to cracking and UV discolouration, Toyota Genuine protectors are easy to remove for cleaning and will help keep your Kluger looking brand new.

Front Weathershields (Sold separately)

Lightly tinted to reduce glare, these Toyota Genuine Weathershields offer added weather protection. Made from durable UV and impact resistant acrylic, they are tailored to suit your Kluger's body contours for a neat, integrated look.

Personal First Aid Kit

You can't afford to be without this handy pack. Designed by St John Ambulance, it features 16 different items including an essential First Aid Quick Reference Guide.

WHY YOU SHOULD BUY GENUINE TOYOTA PARTS AND ACCESSORIES

Toyota vehicles since their early beginnings have been known worldwide for their Quality, Dependability and Reliability. It makes sense that you keep your Toyota all Toyota to maintain this. All Toyota Replacement Parts and Accessories are designed and manufactured to meet Toyota's exacting standards.

All Toyota's Genuine Replacement Parts come with a 12 month / unlimited km replacement warranty.

All Toyota Genuine Accessories have the same 12 month / unlimited km replacement warranty, unless they are fitted by a Toyota Dealer at the time of vehicle delivery at which point they attract the New Vehicle warranty of 3 years/100,000km. Should you choose to have accessories fitted by a Toyota Dealer after delivery the accessory warranty is then 12 month / unlimited km replacement or the remainder of the New Vehicle warranty whichever is the greater.
