Tyre Pressure Monitoring System

All the right pressure, with none of the stress. Dash-mounted, backlit, small and sophisticated, the system's display receives data wirelessly from sensors mounted inside each wheel. Temperature and pressure of all five tyres (including the spare wheel) are sequentially displayed in various measuring units. Advanced functions allow for wheel rotations and a variety of display modes. There are even programmable alarms for low tyre pressure, tyre over-temperature and sensor battery replacement.

Aero Roof Rack (2 Bar Set)

For that extra room on top. The Aero Roof Rack has an extruded aluminium cross bar for strength, and is black anodised for corrosion resistance. It also features rubber cushioning strips on the cross bar and tamper-resistant fasteners for theft deterrence. Rated to 100kg (total) capacity evenly distributed over two bars, and compatible with LandCruiser 200 Roof Rack accessories (excluding Alloy Roof Tray). Aero style third bar also available increasing capacity to 150kg.

DL12195/MRB693

Atlantis Roof Pod (Available in 200, 600)

(200 shown above) The Atlantis Roof Pod range is the premium style solution in adding extra storage space to your LandCruiser to keep up with your family's adventures. The Atlantis 200 and 600 Roof Pod's are glossy silver in finish, built to last with both UV and impact protection, and are aerodynamically designed for reduced wind resistance. They're the perfect addition to your trip up the coast, the country or as an everyday solution to help carry around whatever it is that's important to you.

Power grip attachment solution is pre-mounted in the box, allowing you to tighten its grip with a single hand. The system also centres itself over the roof bar providing maximum security and safety. The Atlantis 200 even opens on both sides for easy access. Catering for a variety of purposes, Atlantis Roof Pods are available in two size options, either long and narrow or short and broad.

Atlantis 200: Internal dimensions: 169cm x 76cm, Volume: 440 litres, Weight: 17kg.

Atlantis 600: Internal dimensions: 185cm x 55cm, Volume: 340 litres, Weight: 16kg

Pacific 200 Roof Pod

The Pacific 200 Roof Pod is intelligently designed with safety, efficiency and security in mind. With a textured grey finish, the lightweight box uses a fast grip mount system and is positioned lower to reduce air resistance, wind noise and vibrations. Complete with an ergonomic dual-force suspension which acts upwards when opening the cover, and downwards when closing, this convenient Roof Pod can be used for storage on the fly, or to carry luggage on your family holiday. A central locking system enables the key to be removed only if all locking points are properly closed.

Internal dimensions: 169cm x 76cm, Volume: 460 litres, Weight: 14kg.

Kayak Carrier

This clever Kayak Carrier comes complete with four adjustable rubber supports that cradle the hull of your kayak, surfboard or small boat. Whilst gripping securely to hold firmly in place, the fit is gentle so as not to damage your watercraft. Includes straps.

DL12195/MRB693
www.citytoyota.net.au

Pro Ride Bicycle Carrier

This intelligent, elegant solution to bike transportation looks great whilst getting the job done safely. Easily fitted to either side of your LandCruiser's roof, the Pro Ride Bike Carrier features an adjustable frame holder to accommodate most bike designs without the need to ever remove a wheel. Quick release straps which are adjustable for different wheel sizes hold the wheels securely whilst providing a quick and convenient way to release your bike. For your added security and peace of mind, the Pro Ride Bike Carrier can be locked at anytime.

Front Weathershields (Sold Separately)

Lightly tinted to reduce glare, these Toyota Genuine Weathershields offer added weather protection. Made from durable UV and impact resistant acrylic, they are tailored to suit your LandCruiser's body contours for a neat, integrated look.

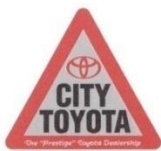

DL12195/MRB693
www.citytoyota.net.au

Bonnet Protector and Headlamp Covers (Sold Separately)

Toyota Genuine Bonnet Protector and Headlamp Covers provide added protection from insects, stone chips and damage. Made from high strength acrylic which is resistant to cracking and UV discolouration, Toyota Genuine protectors are easy to remove for cleaning and will help keep your LandCruiser looking brand new.

DL12195/MRB693
www.citytoyota.net.au

Alloy Nudge Bar

Give good looks some grunt. With decorative and protective polyurethane moulded over-riders, it features polished aluminium tubular upper construction and tailored bottom profile sections. It also comes with a sturdy 4-point attachment system, airbag compatibility, and driving light provisions built-in (excluding larger Rallye FF4000).

DL12195/MRB693
www.citytoyota.net.au

Steel Winch Bar

This heavy-duty bull bar is made from pressed, durable steel. Provisions for the fitting of driving lights (including larger RALLYE FF 4000) and a CB aerial mount are all provided. Designed for (optional) integrated and recessed winch mounting, and powder coated for lasting corrosion resistance.

DL12195/MRB693
www.citytoyota.net.au

Alloy Bull Bar

Go cruising without the bruising. Durably engineered from rolled alloy extrusions and pressed lower panels, this highly polished and superbly crafted bull bar integrates with the LandCruiser 200. It's been designed using the latest 3D modelling technology for unrivalled performance, style and airbag compatibility; plus rough-road-evaluation tested by Toyota for further assurance. Factory fitted fog lights are accommodated (if equipped), and there are dedicated installation points for Toyota Genuine

Towing Kit

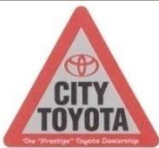

Tow with the added confidence of knowing this high-strength towbar has been developed and tested to stringent Toyota standards. Choose between an 'On Road' or 'Off Road' Towing Kit (for your preferred ball height), including a towball and soft bag to help protect the removable bumper cover. Both Towing Kits are designed to achieve maximum towing capacities[^] for the LandCruiser 200 - 3500kg (braked)[#], 750kg (unbraked) with a 350kg download. They include a square hitch tongue to integrate with the LandCruiser 200 heavy duty (class 4) chassis hitch box; and a durable black-powder-coated finish.

[^]Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations.

DL12195/MRB693

www.citytoyota.net.au

ParkAssist*- Reverse Parking Sensors (4 Head Kit)

Mounted in the rear bumper of your LandCruiser, these four colour-matched sensors use ultrasonic technology to help detect and alert you to the proximity of potential obstacles at the rear of the vehicle, which may be outside your field of vision. ParkAssist even works in the dark, as its performance remains the same in all lighting conditions. Combining ParkAssist with your LandCruiser's Electrochromatic Rear View Mirror Reverse Camera offers you that extra peace of mind, as these technologies can assist you together to help avoid hitting objects while reversing. Compatible with Toyota Genuine Towbar.

* ParkAssist is designed as a driver assist device only and should not be used as a substitute for skilled driving and safe parking practices. The area into which the vehicle is to be reversed must be visually monitored by the driver while parking.

DL12195/MRB693
