Boot Liner

Help keep your Prius' boot in great condition with this high-sided Toyota Genuine Boot Liner. Moulded from flexible, durable polyethylene, it helps protect your load area from spills and other cargo damage. Great for those garden chores, or a child's pram.

Scuff Guard

This smart neoprene mat helps protect the paintwork around your Prius' rear bumper. It lies flat in the cargo area secured by a Velcro strip while driving. When it comes to loading or unloading simply fold it out over the bumper to prevent scratches.

Carpet Floor Mats - Front & Rear Set (Grey)

Help protect your carpet with a full set of practical, hard-wearing floor mats. Embroidered with the Prius logo, a clever clip design on the driver's mat ensures it never gets under your feet (so to speak).

ParkAssist* - Reverse Parking Sensors

Reverse parking can be a challenge. But Toyota Genuine ParkAssist makes light work of squeezing into even the tightest spot. Discreet colour-coded, ultrasonic sensors mounted in the rear bumper provide an audible 'beep' which increases in frequency the closer your Prius reverses towards obstacles.

ParkAssist* - Clearance Parking Sensors

Mounted in the front bumper, these four colour-coded sensors help you to gauge clearance when parking. An audible beep helps alert you to obstacles which may be outside of your field of vision.

Slimline Weathershields - Front & Rear Set

Aerodynamically designed Toyota Genuine Weathershields provide access to fresh air, without having to brave the elements. Lightly tinted, UV-resistant acrylic reduces glare and helps deflect wind and rain.

Headlamp Covers

Specifically contoured to complement the Prius' striking design, Toyota Genuine Headlamp Covers will help protect your headlamps from stone chips and breakages. They're made from high strength, clear acrylic and are resistant to cracking and UV discolouration. Better still, they are easy to remove for cleaning.

Alloy Wheel Lock Nut Set

The Toyota Genuine Alloy Wheel Lock Nut Set means your alloys can be securely locked, protecting them from would-be thieves. The strong, premium-quality chrome-plated Wheel Nuts come with a unique secure coded key to lock the alloys in place without detracting from their style and appearance. The strong, premium-quality chrome-plated Wheel Nuts come with a unique secure-coded key to lock the alloys in place without detracting from their style and appearance.
