**FollowMe Sound and Navigation System  
Includes Bluetooth®~ Handsfree Communications, Video, USB, iPod®^ & MP3.**

On one hand, FollowMe is a fully integrated sound and satellite navigation\* system with all the benefits of an in-dash system including advanced Bluetooth®~, video, USB plus iPod®^ and mp3 functionality. On the other hand, unlock the satellite navigation from its audio cradle and you have a portable navigation system you can use in other cars or on foot^^. FollowMe also displays a wide range of audio playlists on a 4.3" screen with your choice of colour illumination between green and amber. And thanks to Suna™ Traffic monitoring service#, the FollowMe unit is regularly updated with the latest traffic information, such as traffic jams, accidents and roadworks, to suggest alternative routes. Available for Sydney, Canberra, Melbourne, Perth, Adelaide, Brisbane and Gold Coast metro.

### Satellite Navigation Audio System~

Includes 4 In-Dash MP3 CD Compatible Changer with Bluetooth® Communications & (Optional) Auxiliary Audio Input.

With the guidance of Toyota Genuine Satellite Navigation, map reading will fast become a forgotten art. With its easy to use touch-screen, simply key in your destination and the Satellite Navigation directs you from A to B. It boasts a list of features including Bluetooth®, optional auxiliary input (iPod®+/MP3 player compatibility), full screen, split screen and voice options plus a 4 disc in-dash MP3 compatible CD changer integrated into the system. Toyota Genuine Satellite Navigation has all your audio and navigation needs covered in a single stylish unit.

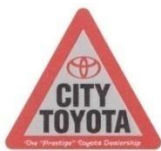

## Reversing Camera

For extra safety and confidence when reversing, the Reversing Camera\*\*\*gives a clear visual picture of what would usually be out of line-of-sight. Combining ParkAssist with the Reversing Camera\*\*, the view is projected onto the screen of Rukus' Display Audio, FollowMe® or Satellite Navigation systems. This visual aid can ease some of the stress associated with parking and reversing, as the technologies work in parallel to help you avoid hitting objects while you concentrate on tricky manoeuvres.

### **All Weather Cargo Mats**

The moulded and contoured All Weather Cargo Mat is made from natural rubber and features a raised lip to protect your vehicle's luggage area from dirt and mud. The one-piece mat fits neatly into the rear of Rukus without bunching or shifting position. The decorative anti-slip texturing helps to minimise cargo movement in the rear of the vehicle. Easily removed for cleaning.

## Cargo Barrier

The Toyota Genuine Cargo Barrier provides additional safety for vehicle occupants, helping to contain cargo within a specific area of the vehicle in the event of a sudden stop or accident. The metal powder-coated Cargo Barrier is rated to 60kg capacity. It has been designed to allow for unimpeded deployment of the side curtain shield airbags along the vehicle interior.

## Seat Vest

**New TRD-branded side airbag-compatible front seat covers will protect the Rukus seats, and make a statement in style. The vest-style seat covers are designed to allow for proper deployment of side airbags and are made from fire-retardant and UV fade-resistant materials. With matching headrest covers and full lower seat coverage, the Seat Vests help to protect original fabric from everyday wear and tear.**

[www.citytoyota.net.au](http://www.citytoyota.net.au)

### **Scuffguard & Rear Bumper Upper Protector (Sold Separately)**

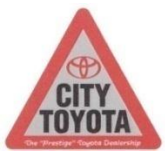

**The Toyota Genuine Scuffguard drapes over the boot opening to help protect the rear bumper paintwork when you're loading or unloading. Made of soft, durable neoprene, it folds flat in the boot for storage and is easily unfolded whenever you need to use it.**

**A new moulded adhesive protector is introduced for Rukus. Featuring a Toyota logo and individually styled to the vehicle, the Rear Bumper Upper Protector protects the bumper's upper surface from scratches, stains and chips when you're loading and unloading the cargo area. Fitted in minutes, this accessory adds value and protection to your vehicle.**

## **Interior Illumination**

With Interior Illumination, a discreet welcoming blue glow emanates from the footwells of Rukus. Available for front and rear footwells, the soft illumination helps improve in-car visibility, without interfering with night driving vision. The lights turn on automatically when a door is opened, and stay on for approximately eight seconds after the last door is closed.

## Atlantis Roof Pod

The Atlantis Roof Pod range is the premium solution for adding extra storage space to your Rukus. The Atlantis Roof Pod is glossy silver in finish, built to last, with both UV and impact protection, and aerodynamically designed for reduced wind resistance. A power grip attachment is pre-mounted in the box, allowing you to tighten its grip with a single hand. The Pod's central location on the roof enhances security, safety and easy access from both sides of the vehicle. Atlantis Roof Pods are available in two size options: Atlantis 200: Internal dimensions: 169cm x 76cm, Volume: 440 litres, Weight: 17kg  
Atlantis 600: Internal dimensions: 185cm x 55cm, Volume: 340 litres, Weight: 16kg

## Pacific Roof Pod

The Pacific 200 Roof Pod is intelligently designed with efficiency and security in mind. The lightweight cargo box uses a fast grip mount system. Its low profile reduces air resistance, wind noise and vibrations. This convenient Roof Pod comes complete with an ergonomic dual-force suspension which acts upwards when opening the cover, and downwards when closing. The Roof Pod can be used for storage on the fly, or to carry luggage on your family holiday. A central locking system enables the key to be removed only if all locking points are properly closed. Internal dimensions: 169cm x

76cm, Volume: 460 litres, Weight: 14kg.

[www.citytoyota.net.au](http://www.citytoyota.net.au)

### **Slimline Weathershields - Front and Rear Set**

Tough and durable, these Weathershields extend from the front window to the back. Tinted, with a chrome strip running full-length, the Toyota Genuine Slimline Weathershields enhance the bold lines of Rukus and provide driver and passengers with some protection from the elements. Made from impact-resistant acrylic for lasting good looks.

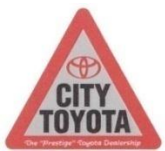

DL12195/MRB693  
[www.citytoyota.net.au](http://www.citytoyota.net.au)

## Front Corner Clearance Parking Sensors

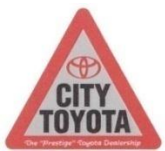

The four colour-matched ultrasonic sensors\*\*\* mounted to the front bumper help detect objects and cars near the front corners of the vehicle, alerting the driver so that he or she can judge the objects' proximity. A concealed beeper heard from within the cabin will alert you to how much room you have left, beeping faster the closer you get and then emitting a constant tone if you have gone as close as you should.

## Rear ParkAssist

Mounted across the rear bumper, a four-head set of colour-matched sensors\*\*\* use ultrasonic technology to audibly alert the driver to rear obstacles. The audible alerts increase in frequency as Rukus approaches an object, to promote driver awareness of objects that are out of the range of vision when reversing.
