Audio Visual Unit With Satellite Navigation#

Find an easier route home with the guidance of the Toyota Genuine Satellite Navigation Audio System#. Equipped with SUNA™~~ GPS traffic updates the navigation system receives traffic updates 24/7, so it can navigate alternative routes around traffic congestion and landmarks can be displayed in 3D for easier recognition. The audio system allows you to play from some iPod®+ and iPhone®+ USB^ or CD, and the full-colour touch-screen display features a simplified audio track search and album jacket display (for some iPod®+ and iPhone®+) as well as voice control function that allows you to select audio by the artist name (for some iPod®+ and iPhone®+) or make phone calls.

Carpet Floor Mats

Toyota Genuine Floor Mats are custom-tailored to fit your Yaris and are easy to remove and clean. The carpet Floor Mats are constructed of high-grade polypropylene carpet, are colour-coordinated to your vehicle's interior and include an embroidered Yaris logo. Positive retention clips and a non-slip backing help keep the mats in position, protecting your carpet from premature wear and stains.

Boot Liner

Help keep your Yaris' boot floor in great condition with this high-sided Toyota Genuine Boot Liner. Moulded from flexible, durable polyethylene, it helps protect the floor of your boot from spills and other cargo damage

Front Seat Covers (Vest)

Vest Seat Covers are tailored from sports neoprene. The neoprene material firmly grips the seat providing additional cushioning. They are water resistant and hand washable, fit easily without straps and are engineered to the highest standards. They will not interfere with the deployment of the airbags and they meet all Australian Design Rule requirements. Toyota Genuine Seat Covers are also designed to not interfere with seat controls, so the mechanics of the seat aren't affected or obscured and adjustments can be made easily. Washing as per instruction on seat cover.

Interior Illumination

Toyota Genuine Interior Illumination helps improve visibility inside the cabin of your Yaris without interfering with night driving vision. The soft, discrete blue glow emanates from the foot wells of your Yaris. It turns on automatically when a door is opened and stays on for approximately eight seconds after the last door is closed.

Scuff Guard

This cleverly designed neoprene mat helps protect the paint work around your Yaris' rear. It lies flat in the cargo area secured by a velcro strip while driving. When it comes to loading or unloading you simply fold it out over the bumper to prevent scratches.

Reversing Camera

Engineered specifically for Yaris, Toyota Genuine Reversing Camera[™] gives you eyes in the back of your car so you can better see obstacles while reversing. Requires AVN screen or Display Audio Unit (sold separately).

ParkAssist Front

Mounted in the front bumper, these two colour-coded sensors help you to gauge clearance when parking. An audible beep helps alert you to obstacles which may be outside of your field of vision.

ParkAssist Rear

Reverse parking can be a challenge but Toyota Genuine ParkAssist[™] can help guide you into the tightest spots. Two colour-coded ultrasonic sensors are mounted in the rear bumper and an audible beep increases in frequency as your Yaris gets closer to an obstacle.

Front Weathershields (Three Door And Five Door)

Toyota Genuine Weathershields are designed to deflect wind and rain so you can wind your windows down without being exposed to the elements. Made from UV-resistant acrylic, the Genuine Weathershields are engineered for durability and are lightly tinted. Australian-made and designed specifically for Yaris, Genuine Weathershields sit flush with door frame. Sold separately

Mudguards

Toyota Genuine Mudguards are moulded to fit the lines of your Yaris seamlessly, minimising the chance of damage from mud and stones that can be flicked up from your tyres while driving.
